

Bluestar Model Number example: 36" RNB. If you're not sure of the model or serial number, please refer to the product's data plate. The data plate is located on the inside left wall of the unit. For free standing ranges and cooktops, if you remove the left burner grates and look at the inside left wall, you will see the data plate. For the salamander, it is located behind the access panel on the right side of the unit.)
