

## 3.1 Know your appliance

Before calling, write down the model type and serial number and any messages which may have appeared on the display.

This information is available on the warranty certificate and on the rating plate which is located on the inside the refrigerator compartment (behind the water filter flap door on models provided with Ice Maker).

Congratulations for having purchased your new Fhiaba: from now on you can use our innovative conservation system, which will allow you to keep all of your food in the best way possible.

This manual will answer most of your questions about the product's features. Should you require further information, please check our website
